Before I Go

G **D**
Before I go will the shadows fall
C

G

D
Will I stay the course
C **D**
Will the days be bleak and fallow

G **D**
Before I go will the demons cease
C
Will the fears depart
G
Will I know peace
D **C** **G**
Will the knowledge be deep or shallow
D/C/G
Before I go
D/C/G
Before I go

Before I go will I do my best
Will I know the truth
Will I cower when pressed
Will I hold back
Will my thoughts flow free and travel

Before I go will I know what's right
Will I know when to walk
Will I know when to fight
Will all the false-held secrets be unraveled
Before I go, before I go

Before I go will I show I care
Will I share my love
Will I know what's there
Will the memories fade
Will the past's harsh burdens surround me

Before I go will I resist
Will the prison of doubt disappear in the mist
Will I shiver in the dark
Will I know when the light's around me
Before I go, before I go
